OFFICE FILES & RECORDS MANAGEMENT

“How to Create an Effective System of
Information Storage & Retrieval”

Seminar: 1 day x 8 hrs. (total of 8 hrs)

Webinar: 1 session x 4 hrs. (total of 4 hrs)

COURSE DESCRIPTION:

Electronic and paper documents can easily get cluttered and pile up in the course of our busy work lives. Managing office files and records can be challenging and costly if you do not have a system in place. This webinar helps you effectively organize and manage office files, records and workspace to improve your work environment. It provides creative solutions for managing office chaos, with space and time-saving techniques that you can immediately apply.

WHO SHOULD ATTEND:

Office Managers, Office Administrators, Department Officers, Executive Assistants, Records & Files Officers, Archive Officers, Accounting Officers, Data Management Officers or any person who wants to enhance their organizational skills in relation to records and documents management.

PERFORMANCE OBJECTIVES:

Upon completion of this workshop, participants should be able to show improvement in their basic knowledge of office files and records management via tests & questionnaires, assess office files and records management deficiencies, acquire and use editable templates for records management and prepare to set up their system for office files and records management.

LEARNING OBJECTIVES:

By the end of this course, the participants shall be able to:

- Identify types of files and what to do with them
- Brainstorm solutions to challenges in records management
- Assess their current filing system
